Step 1: Pay Room Deposit and FROG Week Fee

Paying the Room Deposit

If you plan to become a Cadet, do NOT pay the $200 confirmation deposit required for Undergraduate Students. The $250 Room Deposit doubles as the confirmation payment for Cadets. If you have paid the $200 Confirmation Deposit please contact our office.

The Room Deposit may be paid online or by mailing a check.

To pay the deposit online follow these steps:

- Log into Banner using the information that you received from Cadet Admissions
- Select “Student”
- Select “Nighthawk Registration”
- Select “Student Invoice”
- Select “Continue”
- Select “Deposits” from the black menu bar
- Select the term that you will be starting at North Georgia and then click “Select”

To pay the deposit by check, please make the check payable to UNG and put your first and last name and Student ID on the memo line. Mail the check to:

Cadets Receiving Financial Aid Credits

Funds will be made available in your bookstore account on day 1 of FROG Week. This includes Cadets receiving scholarship money (Army ROTC Scholarship for books or Georgia Military Scholarship for books and uniforms).

Georgia ROTC Grant and Future Officer's Grant

The General Assembly of the State of Georgia has established an ROTC grant for eligible Cadets enrolled in the Corps of Cadets at UNG. The grant is for a maximum of $750 each semester of the regular academic year (fall and spring) through your senior year. You must be a legal resident of the state of Georgia, a full-time student, be enrolled in a military science class and earn a cumulative GPA of 2.0 or higher. You must also be in good conduct standing with the Commandant of Cadets at the end of each semester. The grant is paid during the last week of each semester. The amount of the grant may vary due to availability of state funding. You will fill out the ROTC Grant Application during FROG Week in-processing. Each year after, you must apply for this grant with the Financial Aid Office.

If you sign a contract with the Professor of Military Science (PMS) to commission as an Army officer prior to earning 90 semester hours, you will receive the Future Officer's Grant.
which pays up to $2,000 per semester. To receive these funds, you must complete the Future Officers application and provide a copy of your ROTC contract to the Financial Aid Office. You cannot receive the Georgia ROTC Grant in the same semester that you receive the Future Officer’s Grant.

To see an itemized cost list, please visit our Cadet Cost webpage.

Step 4: Register for New Student (NSO) and Transfer Student Orientation (TSO)

New Student Orientation (NSO) or Transfer Student Orientation (TSO) is required for all new students. Cadets will verify class registration during Orientation.

- **New Student Orientation (NSO)** is for new freshmen and is a two-day, one-night event during the summer for students enrolling in the fall semester. For students enrolling in a spring or summer semester it is a one-day event.
  - Incoming Cadets who have been accepted for the fall term but cannot attend an earlier NSO session due to distance and travel expenses should sign up for the New Student Orientation scheduled for August 12. Cadets who attend this NSO will be housed in Cadet housing overnight and will transition to FROG-in-processing on the second morning.
  - Housing is NOT available for Out-of-State Cadets the night prior to Orientation or FROG Week.

- **Transfer Student Orientation (TSO)** is a one-day event for new transfer Cadets or non-traditional Cadets enrolling in the summer, fall, or spring semester.

- **Parent and Family Orientation** is a two-day, one-night orientation session that runs alongside the June, July and August New Student Orientation sessions. Students should register and pay for their orientation guests during the New Student Orientation reservation process.

To schedule your orientation date please go to the Orientation & Transition Programs (OTP) website. Select the button for Online Pre-Orientation. You will need to register for and complete Online Pre-Orientation before you can schedule an orientation date.

**Note:** All Cadets are required to attend NSO or TSO, Cadets can request an exemption to this policy due to an extenuating circumstance by contacting, Darcy Hayes, Director of Orientation & Transition Programs, at 706-864-1010 or Darcy.Hayes@ung.edu.

Step 5: Freshman Advance Scheduling Online Form

After you pay your room deposit and register for New Student Orientation you will be eligible to participate in UNG’s Freshman Advance Scheduling Program. You will be registered for 12-17 credit hours of courses that are appropriate to your major.
Most majors require completing at least 120 credit hours. This equates to an average of 15 credit hours per semester to graduate in four years, or eight semesters.

You will be able to adjust your schedule during New Student Orientation and then again during the Add/Drop period.

- During FROG Week, we will store your keys, wallet, cell phone, electronics, and watch in a safe place and return them to you on the last day of FROG Week.

Spring FROG Week reporting/training days and graduation will vary from year to year. Your graduation ceremony will begin at 0900 on the Drill Field. If your parents are coming to FROG Week Graduation, please have them call to verify the time of graduation: (706) 864-1793 or (706) 864-1796. You will have a few hours of free time after graduation to visit with your family. You must remain in the local area. There will be a recall formation for New Recruits later that evening, time to be determined.

Parents Instructions for Dropping off Cadets

- It is not necessary for you to accompany your son or daughter to FROG Week. Current Cadets will assist them with unloading and moving baggage into the residence hall. Please say your goodbyes immediately after move-in. For those parents who accompany their son or daughter, there will be a briefing in the Pennington Military Leadership Center about FROG Week and the Corps of Cadets during in-processing. The time will be announced on your arrival to campus. You're invited to return to campus for FROG Week Graduation on Saturday, 19 August at 0800.
- We will also post photos of FROG Week daily on our Facebook fan page.
- Moderators of our North Georgia Cadet Parents Facebook group work directly with UNG staff to provide parents with timely information about upcoming Corps activities. To join the "closed" group, please send an email to the Parents & Family Association Cadet Parent Representative at parents.association@ung.edu

Appendix A: Notes for National Guard and Reserve Soldiers – Cadets

Thank you for your service!

- **FROG Week** is a requirement for every new Cadet to attend FROG Week. You will learn the history and traditions associated with the Boars Head Brigade. Contact your unit administrator and request an exemption from drill in order to attend FROG Week or ask for permission to use FROG Week as your drill and obtain a Split Certificate from UNG after FROG Week. If you are unable to gain an exemption, contact your unit liaison on campus. For National Guard please call (706) 864-1662. For U.S Army Reserves please call (678) 923-8649.

- **You must be prepared to pay your college bills up front.** Even with Tuition Assistance (TA), you will still have to pay for your books, fees, uniforms, room, meals, and incidental expenses yourself. If you have Montgomery GI Bill and Tuition Assistance we still recommend that you fill out the Free Application for Federal Student Aid, or FAFSA. You may qualify for additional financial assistance. Please visit the financial aid portion of our web site to complete a FAFSA. www.ung.edu/finaid

**Going to basic/AIT in the summer or fall before enrolling in the spring?**

If you’re going to basic training prior to enrolling in the Spring Semester, you **must** do the following **before** you depart for training:

1. Verify you have a valid room contract and have paid $250 deposit (**must be paid before you leave**).

2. Fill out the FAFSA form before you leave for training this summer. Don’t wait until you get back! Access the FAFSA and get all info you need about financial aid on our web site: http://www.ung.edu/finaid.

3. Complete as many steps in the Cadet Admissions Manual checklist before leaving for training. At a minimum, you must have submitted final high school transcripts, checked your banner account, and have set up your student e-mail account.

   **Note that the university closes during Winter Break; from about 20 December until the first week in January.**

**Good luck in training!**
To apply for the Montgomery GI Bill (MGIB):

3. DD Form 214

4. Notice of Benefits Form (NOBE e-mailed through AKO)

5. Direct Deposit Account information

6. The VA will process your application, and the MGIB benefits will be deposited into your Direct Deposit Account monthly.
